

# PROVIDING TECHNOLOGY WITH SUPPORT

A modern  
IT company providing  
hardware & solution  
since 1998.

**AUTHORIZED AMPLIFY PARTNER**

## WHO WE ARE

## OUR MISSION

Pako Computers established in 1998 and today is among the top technology provider in Pakistan. In 2001 awarded the dealership of Hewlett-Packard today we are Authorized Gold Partner of HP Inc., Tier # 2 partner of HP Enterprise and Authorized dealer of DELL and Lenovo. Having presence in all major cities of Pakistan with offices in Karachi, Lahore, Islamabad and Peshawar.

Being a solution oriented company, we believe that an IT solution is inefficient unless it meets the requirements and satisfaction of the customer. Our Company has assets of competent professional who are well equipped with professional knowledge and experience. Their competence gives the Company a competitive edge.

Our goal is to be a provider of world-class products and services, enabling our customers to increase their competitiveness and to realize their economic potential. Furthermore our mission is as follows:

- To be the partner of customer choice as Pakistan's leading information technology service providers.
- To promote well-known international brands.
- Delight rather than just satisfy our customers by providing quality, timely and reliable services.
- To educate ourselves on latest products and services in order to keep our customer up to date.
- To work together with honesty and build a strong business relationship with the customers.
